

HELP US IN OUR MISSION **DONATE NOW**

The Children's Services Council of Palm Beach County and the United Way of Palm Beach County have awarded ACCF a Continuous Improvement Initiative Grant to improve our IT infrastructure. These funds will expand our wireless capability and give all classrooms the ability to access the network for administrative and educational functions. A big thank you to the CSC and the United Way PBC for making this critical investment to improve our programming.

Summer Camp

13th Annual Teen Summit

On Friday, July 8th almost 300 Palm Beach County teens, dozens of community leaders and volunteers participated in Achievement Centers' 13th Annual Teen Summit. Teens heard Jacksonville Jaguars player Johnathan Cyprien speak about the importance of hard work and listening to those that care about them, including their parents and teachers. Delray Beach Police Chief Jeff Goldman spoke about building positive relationships with local law enforcement. An afternoon panel discussion focused on striving for a successful future followed by education and future focused workshops on topics such as college prep, social networking & cyber bullying, teen pregnancy and career planning. The Summit reinforced the importance of professional and personal life skills.

ACCF Teams up with Chipotle & Farmer Jay

"Why eat veggies" is an educational and fun approach to teaching children not only where their food comes from, but how to make the best food choices to optimally serve and fuel their bodies for success in all areas of life. The series of classes are being sponsored by Chipotle in partnership with Farmer Jay Pure Organics to provide these valuable teachings to ACCF students at three of our campuses.

Restaurant Week

Discover the diverse dining scene and energetic vibe in Downtown Delray this August 1 - 7 for the first ever *Dine Out Downtown Delray Restaurant Week*. Enjoy prix fixe lunches and dinners along with special *Dine Out* deals and a series of creative culinary events & classes throughout the week at participating Downtown restaurants.

We are excited to announce that Healthy Bellies is the charity partner for this year's Restaurant Week.

Healthy Bellies is an Achievement Centers program founded by DADA Executive Chef Bruce Feingold and his wife, Amanda. Healthy Bellies is committed to community outreach and education focusing on nutrition for under privileged children and families in Delray Beach.
