**Chipotle Garden**

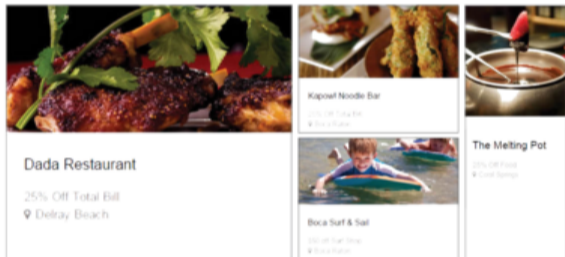

On Tuesday, February 17<sup>th</sup>, we were so excited to welcome Chipotle to our Pine Grove Elementary campus as [Farmer Jay Pure Organics](#) installed a children's garden. The Chipotle team and Farmer Jay prepped the plot, built the bed, laid irrigation and soil before ACCF and Pine Grove Science Club students were invited to plant fruits and vegetables with the team. The students are excited to care for the garden and watch their plants grow. For more photos [click here](#).

**JCS Generosity**

We would like to thank the Jarden Consumer Solutions (JCS) Community Fund for a \$15,000 grant to serve hot dinners at our afterschool program at the Village Academy School and their donation of 200 Crock-Pots to our Family Strengthening Program. We are excited to partner with Jarden for the 9<sup>th</sup> consecutive year on fighting food insecurity in our community. Statistics reveal that nearly 1 in 5 children in our country lives in a household that struggles to put food on the table. We deeply appreciate Jarden's commitment to improve the lives of young people.
