Achievement Centers for Children & Families

is a community-based, family-focused organization dedicated to providing opportunities where under-resourced children may thrive in a positive environment. Our programs support educational growth, skill-building, social and emotional support, and provide children with nutritious meals and snacks, creating a positive and lasting impact in our community.

Living Hungry is a charity born of the belief everyone has potential worth nourishing. Poverty setbacks and malnutrition plague homeless youth the worst. Living Hungry is on a mission to design and build nutrition products and logistical supply solutions to empower kindness and unleash the hidden genius in our homeless teens. Donations from the DBI Love Boat event will fund weekend bags of food delivered to Delray Beach schools by Sysco and cost \$8 for each homeless teen fed each weekend. \$32 feeds 1 homeless teen for a month! Do your best and all our homeless teens will thank you!
