DELRAY BEACH HOME TOUR

What is the Delray Beach Home Tour?

The Delray Beach Home Tour is an annual event that benefits Achievement Centers for Children and Families, a local nonprofit that has been serving the children and families in Delray Beach and surrounding areas for 54 years. We provide affordable child care for our local community via our signature programs: Toddler Program, Preschool Program, Out of School Time Program, and Summer Camp,. Additionally, we offer a weekend Teen Program (Middle & High School) and a Family Support program.

The Home Tour rotates through 4 Delray Beach neighborhoods each year, North End Beach, Seagate, Lake Ida, and Palm Trail. Each year 7-10 generous Home Owners in the community open up their doors for our guests to tour. The event also features a gourmet luncheon at one of the homes for all of our guests, as well as a silent auction.

ACHIEVEMENT CENTERS FOR CHILDREN & FAMILIES

ACCF creates a collaborative community where children may reach their full potential and families serve as the foundation for their growth.

Achievement Centers has a long history of providing childcare and academic opportunities to children in southern Palm Beach County.

Our services meet critical needs for income-constrained families which oftentimes are experiencing poverty and need supportive solutions to achieve self-sufficiency.

We provide access to affordable toddler, preschool, afterschool, and summer programs, which set a foundation for academic, financial, and future life success for the children and families we serve.
